SCA Fair Nets Funds for Foreign Student

Wilson's student body representatives have been on the ball this year. With his trusty crew backing him, President John Davis has performed like a pro leading his team in victorious action. One of the first moves of the SCA was to involve the entire school in a first school fair. The proceeds from the project are to be used to finance a foreign exchange student at Wilson. Legislation passed by Wilson's student congress included the adoption of the monitoring system initiated in 1967-68. This "bill" and others have become part of the activities of Wilson. SCA objectives for 1968-69 included AFS School Fair; better student-teacher relations; formation of a Varsity Club; formation of a new Pep Club; better SCA elections; better club-SCA relations through the Inter-Club Council; better citizenship in the student body; better relations between the SCA and the surrounding community; better distribution of school activities among clubs and classes. A Student Cooperative Association makes a school. Wilson's SCA have made a name for WMHS through their many efforts.

In the Junior Booth at the SCA Fair, Mr. Hill patiently awaits his inevitable ducking as the class of '70 raked in the most dough for SCA.

SCA officers under the able leadership of John Davis and Miss Johnson continue to strive for Wilson to make itself known among other schools. Brenda Allen, Dist. Sec.; Leanna Appl, Treas.; Patsy Brown, 1st V.P.; Sandra Keiser, Sec.; Barbara McGrath, Reporter; and Rob Sergeant, V.P.

Working SCA Is Vital Organ in School Life

The involvement of the entire student body in projects and school functions generated a great deal of interest and energy which kept the SCA running actively all year. Representatives from each homeroom helped in keeping this vital organ in top form. New ideas in which different aspects of student life would benefit were suggested and carried out. The organization of the Varsity "W" Club and the Pep Club were two undertakings. Two money raising projects for the foreign exchange student fund were the selling of booster buttons and the Sweetheart Dance. A clean up campaign was conducted to discourage vandalism and encourage school pride. Several assemblies were held for student orientation, Christmas, foreign exchange students, flag presentation and elections. Representatives from the feeder elementary schools observed the SCA meetings and delegates from the council attended a forum in Richmond and a district meeting in Waynesboro. The making of a student handbook, the lost and found, the monitor system, and the renovation of the social center were the other projects of the SCA. Its primary aim was to help both faculty and students alike.

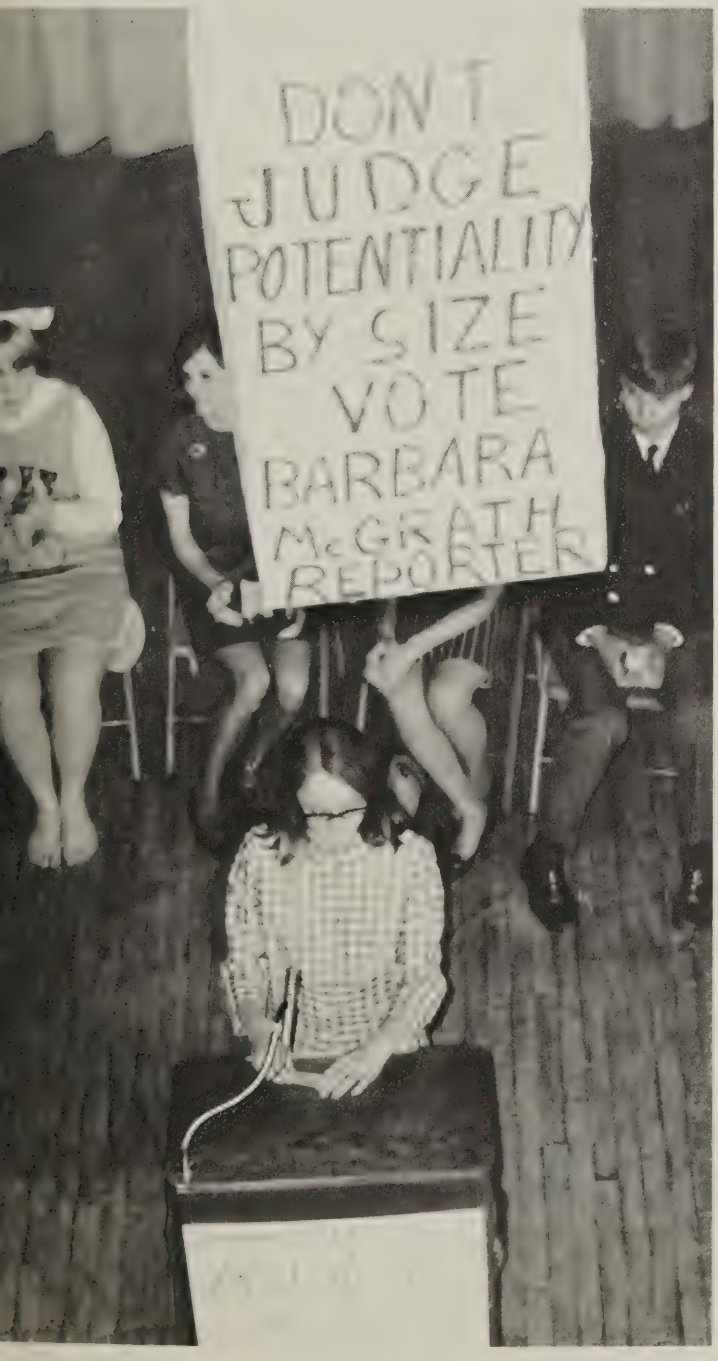

Improved relations between the clubs, classes, and SCA evolved through the establishment of the Interclub Council. The presidents of each organization were able to discuss problems, needs, and improvements with the SCA officers. They worked diligently to represent their clubs or class at the Fair. Each club was responsible for supplying monitors each month.

SCA undertook as a school project the renovation of the Social Center. Each class was assigned a designated area to paint or repair. The seniors painted the outside psychedelic, and the underclassmen were in charge of decorating the inside. The students met on Saturdays to paint and clean the grounds. Music was brought back to the Social Center and students could dance before school and during lunch periods.

Mary E. Varner reads her prose selection to Mrs. Spitzer and others.

Students in our Society were faced with the demands of a society which placed great emphasis on mass communication. A proficiency in oral skills became increasingly important. It was the purpose of the Forensics Club to develop these skills, those which enabled students to express themselves more effectively in school and later in their chosen vocations. The Club program consisted of Debate, Public Speaking, Drama, Spelling, Girls' Prose and Poetry, and Boys' Prose and Poetry. Meets were held with the other county high schools. Winners of these meets participated on a District level, in time on a State level. Wilson did not win any of the meets, but she was well represented among the list of individual winners. The One Act Play, "The Jealous Husband", received a superior rating in both District and State presentations. First place winners in meets were Jean Wisely, Girls' Poetry; Beverly Harold, Girls' Prose; Steve Sparks, Boys' Prose; Karen Puffenberger, Spelling. JV winners were Joan Daughtry, Girls' Poetry, Louise Younger, Spelling; Doug Guynn, Boys' Poetry; Debbie Knebel, Girls' Prose. The one JV meet was held at BMI.

Safety Club Stresses "Defensive Bus Driving"

1968-69 WMHS Safety Club: John Miller, Larry Coffey, Dean Hatter, Gary Demastus, Henry Brooks, Mike Lynch, James S. Thompson, Kenneth Critzer, David McChesney, Ronnie Shover, Sam Ralston, Gary Burdette, Wayne Coyner, Danny Johnson, Billy Simmons, Donald Ray, Junior Hewitt, Dennis Painter, William Huffman, Thomas Kanagy, Bill Grove, John Dixon, Tommy Myers, David Clements, Larry Hyden, Steve Johns, Ronnie Pulley, Kent Hite, and Eddie Dunn. Members of the Safety Club are bus drivers snd substitutes. The transportation of students of Augusta County to and from school safely is an important phase of the total educational program. With increased number of vehicles on the highways and the increased number of students riding the buses, the responsibility for their safety increases. Therefore, the main purpose of the Safety Club is to maintain high driving standards of safety and reliability. It is concerned with all facets of driving, especially student-driver relations.

2nd Year At Wilson A Smashing Success

Secretary Donna Ridgeway, Reporter Patrice Spaulding, Treasurer Bo Radford, President Beverly Harold, and Vice-President Marian Weems smile at the tasks and hard work that lies ahead for the Keyettes.

The goal the Keyette Club strove to attain was serving its school and community to encourage better relations between the two. Keyette members got an insight into service in its school-oriented programs. The club gave the girls the opportunity to learn to work together and to become leaders. The club, sponsored by the Waynesboro Junior Women's Club, had as its main project collecting "kits" for migrant workers. Other projects included making and selling of Victory Links, being teacher's aids after school, sponsoring the Homecoming Dance, along with the Majorettes and Key Club, having a banquet and a Valentine Party at V.S.D.B. The car wash and the International Convention marked the closing of a successful year.

Anxiously anticipating their second successful year as a Keyette member, these girls have mixed and varied emotions: Melinda Hodge, Dawn Higgins, Barbara McGrath, Ann Henderson, Brenda Allen, Beverly Harold, Sandy Keiser, Treva Arehart, Sara Morris, Brenda Bain, Cathy Coyner, Nancy Macky, Patrice Spaulding, Bo Radford, Becky Bibb, Tami Dunlap, Marian Weems, Sharon Via, Donna Ridgeway, Sherry Spaulding, and Carolyn Baber.

Key Club Separates Men from the Boys in Student-Faculty Game

The purpose of the Key Club is to promote good leadership by producing responsible students interested in being a good citizen in all aspects. The current officers of the club are President Val Gochenour, Vice-President Steve Litten, Secretary Mike Hewitt, and Treasurer Warren Koiner.

FHA Organized to Insure Home Life Security

Linda Grove, Darlene Lane, Ann Cole, Mary Ellen Varner, Pam Swope, Nancy Tribble, Melinda Hodge, Sharon Via, Nancy Mackey, and Jean Harris as FHA Officers appear eager to accept the responsibilities that await them during this coming year. Let's hope they keep that enthusiasm going.

Darlene Morris and Yvonne Miller express genuine enthusiasm toward the final FHA goals for this year—making people appreciative.

The Future Homemakers of America worked this past year for the fulfillment and perfection of their eight purposes. These purposes pertained to the complete harmony of home and community life. They strived to promote a growing appreciation of the joys and satisfaction of homemaking. Their activities included the bake sale, Parent-Daughter "Chop", the Christmas tea, hat sale, F.F.A. Banquet, and fashion show. The activities emphasized the encouragement of community life and group recreation. The chapter also supported their motto "Toward New Horizons" by their participation in not only the chapter but also in the federation and state. These Future Homemakers faced the future with hope and anticipation.

Hornet's Nest Goes to Full Coverage in '69

232 Units, You've Got to Be Kidding! Susan Tabor and Sandy Hamilton concentrate on making each headline fit into the spaces.

Above all, a yearbook is a memory book that will last forever. It is the only book that captures school life and preserves it for all to see. It is a historical record of school for one year, but at the same time is more than just a history book that captures names and faces. It is an interpretation of these names and faces into a story of the year . . . the happiness, sadness, seriousness of people and school life. "A picture is worth a thousand words." Pictures, like music, reach everyone and affect everyone. Pictures set an instant mood and communication far more readily than words can do.

They Wouldn't Dare Put That In the Annual! Dennis Painter, the photographer for the **Hornet's Nest** sorts pictures just returned.

For these reasons the **Hornet's Nest** made the change to a full coverage book. So many events happened after February that had a place in the memory of many students. The staff was willing to risk criticism of the students to provide for the same students a **Hornet's Nest** complete in every detail.

Where Can We Insert That Word? is the question of the day for annual staff workers David Hemp, Martha Rhodes, and Jeanie Dean. The staff members, work long, hard hours to edit the annual.

Laughing over annual pictures seems to be fun, except for Donna. **Left to right:** Mary Woods, Vicki Rodgers, Donna Dull, and Darlene Morris.

As Kay Tompkins hurriedly types new material for the annual, Darlene Pleasants becomes the "backseat driver" pointing to bubus.

This year's annual has to be a great success. With intuitive minds, it may prove to be. Sam Simpkins, Anne Henderson, Martha Rhodes and David Hemp study and ponder over previous annuals. Their hope is to derive free and imaginative ideas for this year's annual. All it takes is know how!

FFA Learns Via Greased Pigs and Machines

An active membership in the Future Farmers of America helped develop in its members agricultural leadership, cooperation, and citizenship needed in the industrial and commercial world. The members participated in worthy projects for the improvement of all phases of agriculture. The members were instructed in the development of individual farming programs and the establishment in farming. They were encouraged not only in the agricultural facet but also in the scholastic activities of FFA. They sponsored the "Greased Pig Contest" for the SCA Fair. They worked for the skill and knowledge which produces outstanding agriculturists. Their confidence was strengthened by their motto, Learning to Do, Doing to Learn, Earning to Live, and Living to Serve. In addition to this, they had fun learning.

The Science Club provided an opportunity for interested students to explore the unknown and the unexplainable occurencies of our modern world. The activities in which they participated gave them a greater insight into the career opportunities available. Mr. Hartman, their sponsor, stressed the importance of participation in eligible activities. Among these activities were two field trips to Washington D.C., visits to various companies, and entries in school, county, and regional Science Fairs. The club emphasized the importance of research and individual thinking on the part of each member. The Gamma Rays were also encouraged to explore the field of science whether as a career or simply as a hobby.

Wilson's Majorettes Promote School Spirit

The primary purpose of the Wilson Majorettes was to promote school spirit. The Majorettes performed at half-time for all home football games and in Staunton at Lee High. They participated in Band Day at VPI, with Bo Radford representing them in the finals for Miss Va. Tech Band Day. They marched in the United Fund Parade, the local Christmas parades, and in the Dogwood Parade in Charlottesville, winning first place in the Waynesboro Christmas Parade and the Dogwood Festival Parade. They co-sponsored with the Key Club and the Keyettes the Homecoming Dance. One additional highlight was the visit to the elementary schools.

Under the leadership of Mr. Wilmer Hill, the Green and White Band began another exciting year. The band worked hard and practiced several hours during the week. Their efforts proved to be well worthwhile. Their purpose was to promote school spirit and community relations through a variety of band programs. The football games were highlighted by the band. They provided the spectators with exciting half-time routines. Wilson was well-represented in the parades in Waynesboro and Staunton. They received top honors in all the parades. Concerts also played a big part in the band's life. They participated in the District V band festivals. The colorful band made Wilson Memorial stand out as one of the best schools through their accomplishments, hard work, and devoted WMHS spirit.

Wilson Memorial Singers Display Talent

"Do-Re-Me-Fa-So-La-Te-Do." This warm-up practice will prepare General Music II for the later singing session for the students of Wilson. This practice will prove invaluable not only for their singing at Wilson, but for other festive events held throughout the surrounding area.

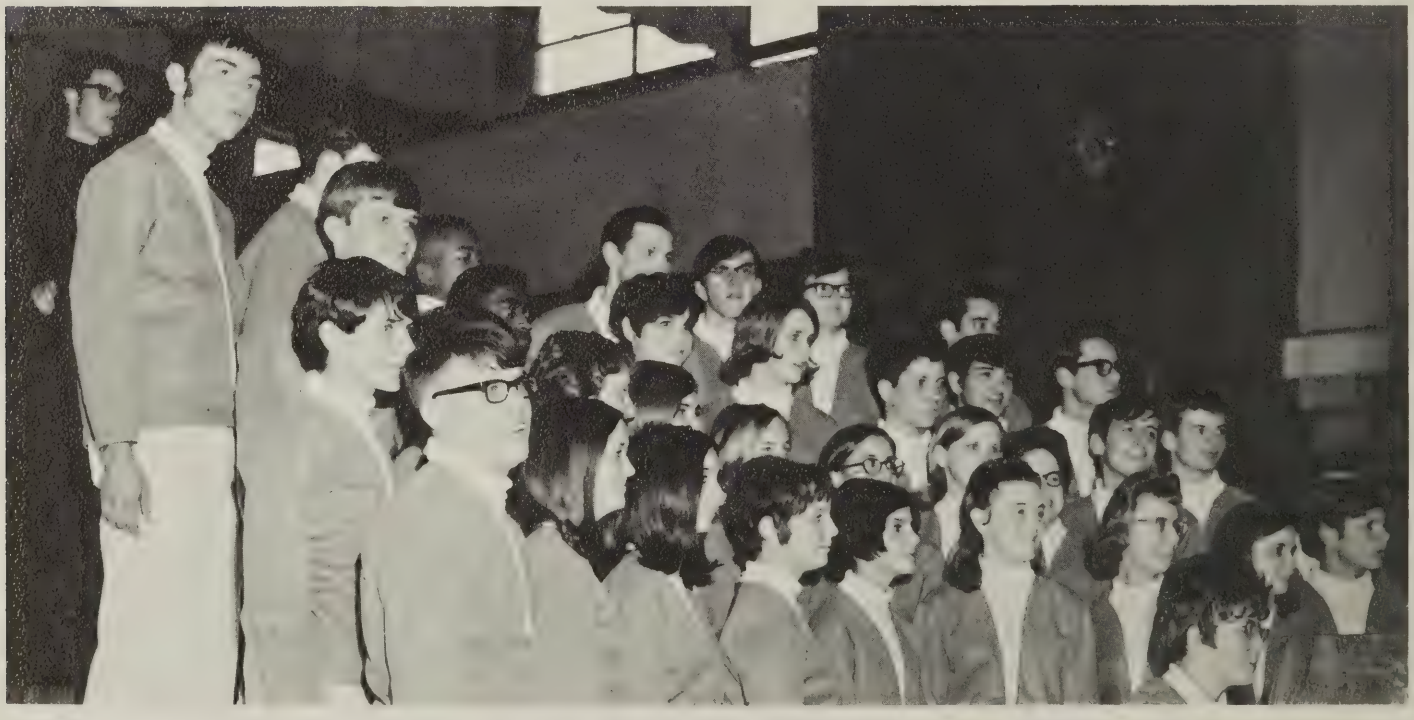

The Wilson Memorial Choral Department displayed their talent this past year through many activities. The first of these activities was the Christmas Concert, consisting of many beautiful pieces, both spiritual and secular. In January ten students were selected to represent Wilson in the Regional Chorus. The Advanced Choir and the Singing Sergeants sang at District Festival, where they received a rating of excellent. The Singing Sergeants gave performances throughout the year for various clubs, churches, and organizations. To end the year for the students, the Spring Concert was given, as the Christmas, in the beautiful Rehab Center Auditorium. All the performances were given under the superb direction of Mr. George W. Sergeant. The musical arrangements were exquisite, permitting the Choral Department to display the talent Wilson Memorial singers had. The sound of music was ever present.

The Varsity Club, under the leadership of Mr. Zapotoczny and Mr. Smith, stimulated an active interest in athletics at Wilson Memorial High School. When not participating in a particular sport, members promoted school spirit for the competing Green Hornets. Members of the club sold concessions during athletic events. The officers for 1968-69 were as follows: **Mark O'Baugh, President**; **Don Cullen, Vice President**; **Keith Smith, Secretary**; and **Sam Simpkins, Treasurer**. Varsity Club members endorsed sportsmanship and loyalty for everyone.

University of Va., B.S., Physics, Advanced Physics

Mr. Joseph E. Zapotoczny
Catawba College, B.A., University of Va., M.Ed., Earth Science, Biology, Varsity Football and Track Coach

To gain a wider understanding and knowledge of the "fast-paced" American, students did research on almost every phase concerning science. Whether the courses concerned biology, physics, or chemistry, each student was thrilled with hopes of making a discovery. Everyone had a chance to explore the dark paths of the universe and its creations by gazing into the microscope at various varieties of bacteria. The students could not believe that such a tiny creature could do so many things. It was impossible for a student to lose interest in a class. He was given an opportunity to put his mind to work. Classes afforded students the medium to question, seek and relate. To entice the students to be curious was the main objective. Science students engage in a wide assortment of activities from dissecting a frog to making reports on a chosen topic. After studying the basics, the students put this knowledge to work by entering the Science Fair. Students received awards for outstanding work. The goal of the science department this year was to enhance the interest and curiosity of the students in this fascinating field. The knowledge obtained will be put to use throughout their lives in whatever they do. The curious active minds of many students were busy.

Curious chemistry students try desperately to learn how to make H2 added to So4 equal H2So4. The possibilities are unlimited, but Vicki Smith and Harry Hanger are befuddled by all the memorization and equations. Mr. Ridgeway has the solution but the students are not sure he is right.

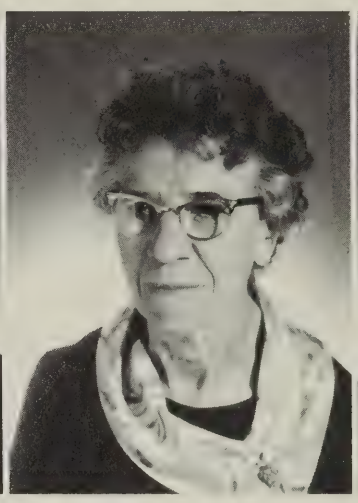

Math Presents A Challenge to Most Students

Mr. Jessie Hamilton
R.P.I., B.S., East Tennessee State, University of Virginia, American Government, Sociology, National Honor Society

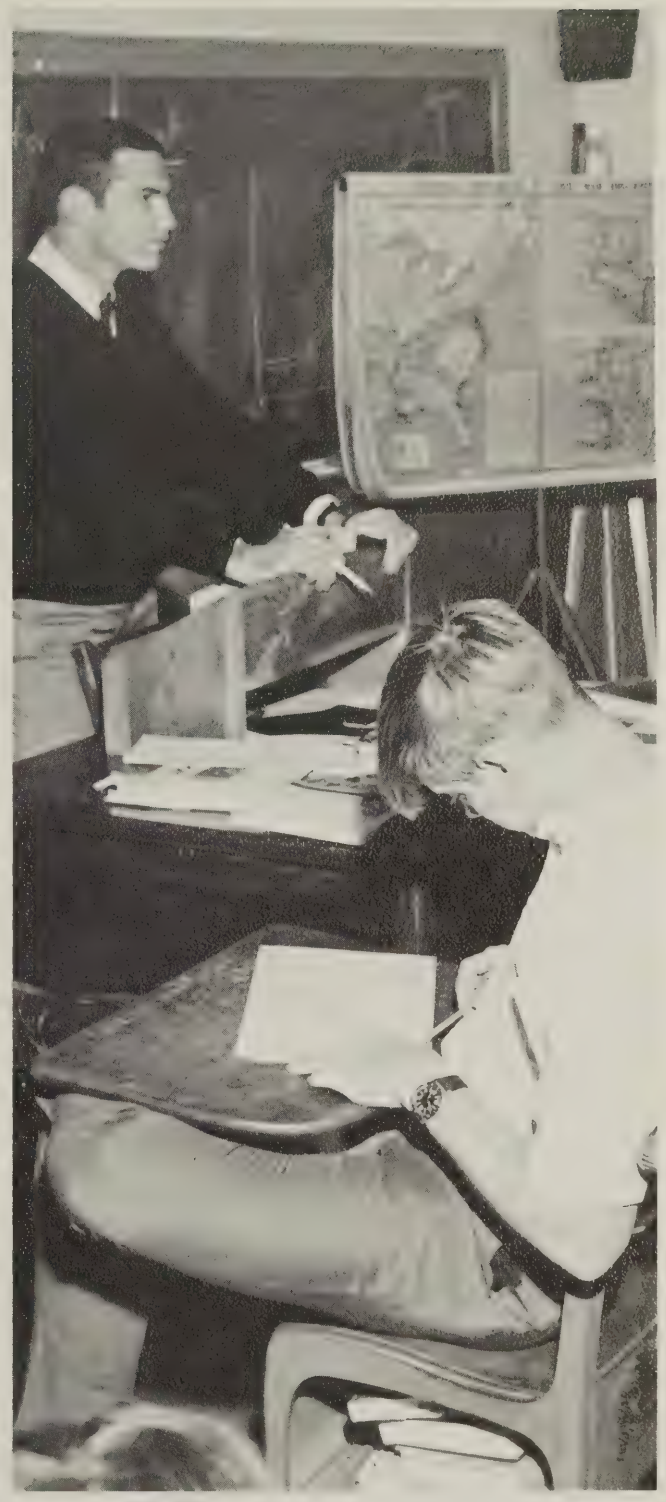

Mr. Robert A. Hobson
Campbell College, B.S., University of Virginia, World History, World Geography

Noting the relationship of the past, present, and future was the goal of the Social Studies Department. Courses in world history, American history, geography, sociology, and American government were offered to reveal this important understanding. Cultures of various countries were studied and enhanced by projects and interesting reports. Current events were stressed to relate to the past and anticipate the future in view of contemporary society.

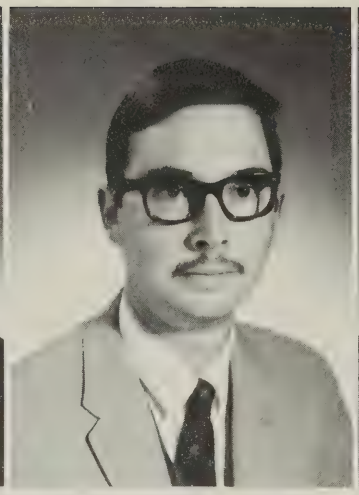

Both Mrs. Bowman and the government students seem to be preoccupied.

Canty Richardson is absorbed in Mr. Corbin's American history talk.

Any Sound Mrs. Mabry? Second period American History certainly hopes not.

Tact in Salesmanship Valuable to DE Students

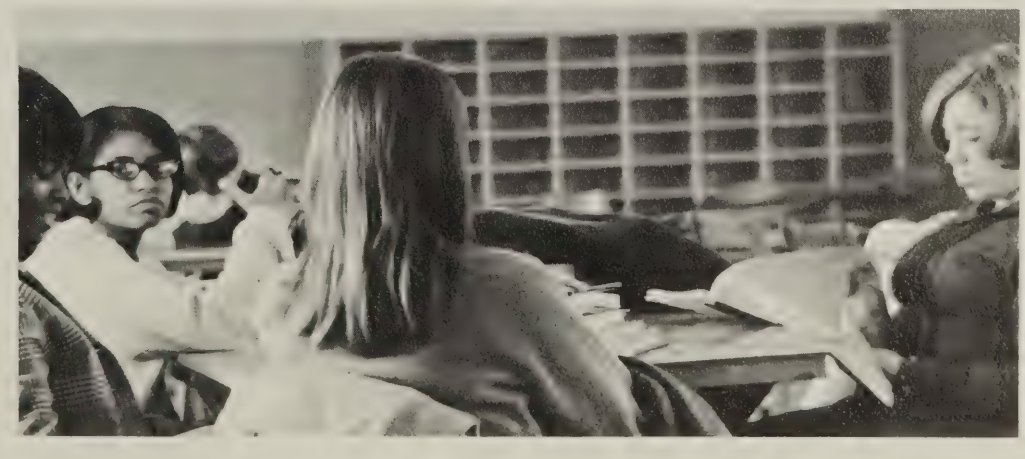

What is DE? Distributive Education, offered in all states, identifies a program of instruction in marketing, merchandising, and management.

The cooperative Distributive Education program derived its name from the cooperative working arrangement between the school and distributive businesses of the community. The student received classroom instruction and work experience and training with businessmen. The primary objective was to prepare students for full-time employment in the field of distribution. The courses also served as a background for college work in business administration, marketing, advertising, consumer education, and related fields. The program consisted of three levels, DE I, II, and III. DE I was an elective, one-credit course, with no regularly scheduled on-the-job training. The following areas were studied: personnel, selling, sales promotion, and merchandising.

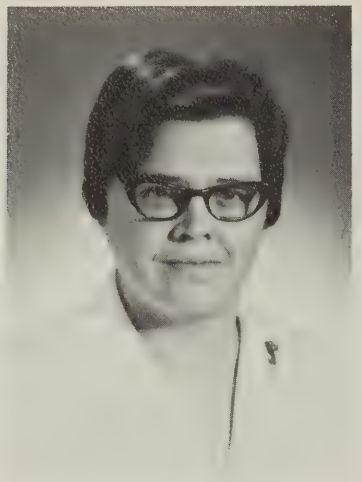

Mr. Roy M. Kelly, Jr.
Lenoir Rhyne College, B.A., Appalachian State Teachers College, M.A., VPI, RPI, Distributive Education, DECA Sponsor

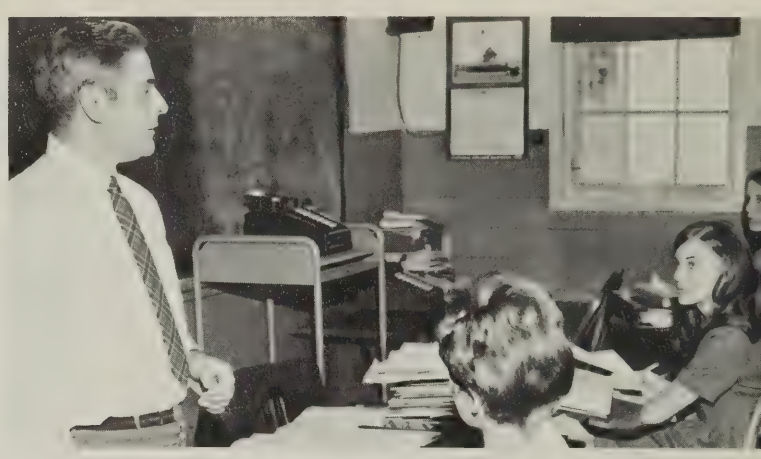

How Can I Better Make A Sale? DE III is a more advanced course. Students accept greater responsibility.

Food Production Subject for Agriculture Dept.

Vocational Agriculture Classes offered the students a wide variety of training in the agricultural sciences, agricultural mechanics, natural resourse conservation, and leadership. Through a study of different phases of science and farm management, students became better acquainted with the work in agriculture. Instruction in agricultural mechanics developed mechanical skills for future use. The students learned the maintenance and operation of gasoline engines. They explored the fields of forestry and conservation. They studied the various occupations in agricultural production. Leadership training was given each student, and the FFA organization offered them an opportunity to practice the proper procedures. The knowledge of agricultural science, the mechanical skills and leadership training acquired in vocational agriculture classes were used by students as aids in the preparation for non-agricultural related careers as well as related.

This Engine Is Like The Others Here! The knowledge of lawn and tractor engines is a must.

Art Exacts Thinking, Encourages Creativity

Mr. Kenneth E. Newton
Richmond Professional Institute, B.F.A., Longwood College, East Tennessee, State University, Art

Clay Hamilton and Gail Lloyd busily paint an abstract picture during one of their classes.

Creativity was essential to the cultural enrichment of students in the Art Department as they learned to express themselves on paper, canvas, or with clay. The ultimate goal was to instill a greater appreciation of self-expression. The courses were designed not only for the artistically inclined but also for those who enjoyed art as a hobby. Art became an outlet for the many students working closely with Mr. Newton. Seniors had their prized works on exhibit.

Phil Crickenberger, Bruce Coursey, and Danny Pleasants learn to draw.

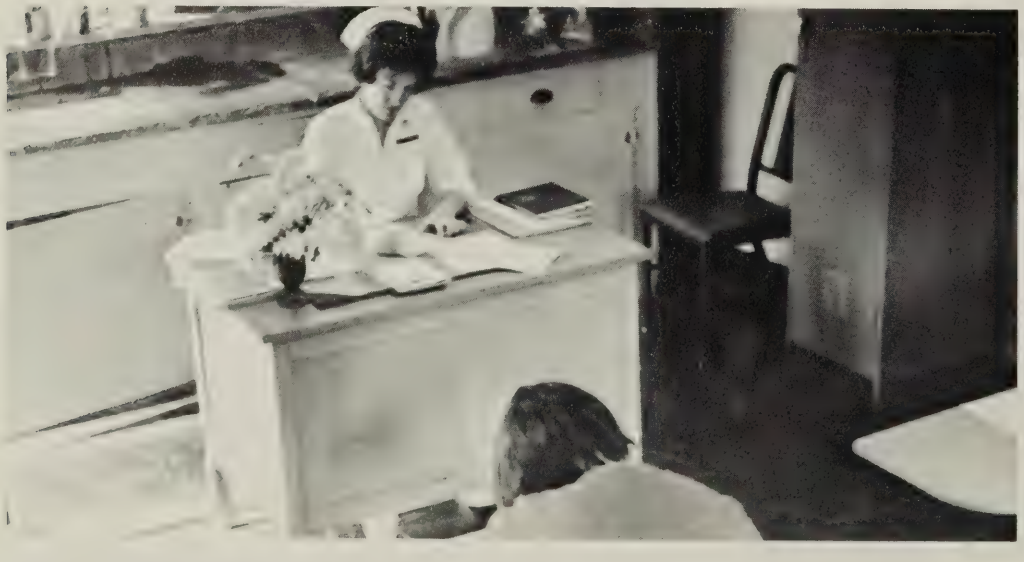

Robbin Hicklin, Mary Goodwin, and Billy Sweeney examine clay.

Wilson's Practical Nursing is Unique in State

Mrs. Hildebrand demonstrates with Mrs. Chase how to move a patient in the bed without strain.

The Practical Nursing Course, co-ordinated with the Kings Daughters Hospital in Staunton, consisted of Pre-Clinical and Clinical instruction. The Pre-Clinical instruction was given at Wilson Memorial for all of the county high schools. This consisted of supervised practice and related instruction in medical, surgical, pediatric, and obstetric nursing. When the student completed this satisfactorily, she received her student cap. The Clinical training, given at the hospital, when completed satisfactorily, entitled the student to the diploma and pin. The State Board of Nurse Examiners', given after graduation, determined whether they became an LPN.

The hard classroom work that is absolutely necessary in Nursing is made easier by Mrs. H.'s interest.

Primary Objectives of

Health, Driver Education, Physical Training and Development were the objectives of the Physical Education Department. Working on alternate class room and gym schedules, eighth, ninth, and tenth graders were given a full exposure to activities both in class and after school. Girls' sports included ping–pong, volleyball, basketball, gymnastics, softball, track, and tennis. The boys participated in crab soccer, football, softball, wrestling, swimming, basketball, and other such sports.

Exciting Careers Await Tech School Students

Gary Craig operates a shaper as Lyn Smith observes. Both are first year Machine Shop students.

The Technical School offered training for many who did not go to college. During the course of their high school program, these students received special instruction in a program that prepared them for the world of work that lies beyond high school. Valley Vocational Technical school offered training in business, trade, and industrial education. These business and trade courses were designed to prepare a student for immediate employment in his field upon graduation from local high schools. Valley Tech challenged every student to advance his education. Most programs that were offered at Valley Tech were two years in length, except for those offered in Cosmetology and Nursing.

Tish McCune inspires our assembly with a little tournament spirit!!!

French waitresses on Prom night are Joan, Karen, Connie, and Linda.

Picnic Time Again!!! These eighth graders fully enjoy themselves.

"Boy, What Fun!" was the repeated phrase. Held in May was the Ninth Grade picnic; refreshments were served; sports and dancing offered.

Billy Lambert, Eddie Griffen, and Gary Shiflett relax after a delicious meal.

Vivian Fitzgerald won second place in the final job interview contest at the Employer-Employee Banquet in Staunton.

Wayne Sutton introduces the D.E. officers at the Banquet.

Kay Tompkins is delighted with the dinner table and all its trimmings at Ingleside.

Mr. Harouff helps these eighth graders select records at the picnic.

The FHA-FFA picnic at Mr. Moffett's camp had many hungry faces.

The Junior-Senior Prom was a big success as usual. Those attending had a wonderful time dancing and enjoying each other's company. The theme this year was "Le Cabaret," which means "ballroom". To enhance the theme, a gazabo was used for pictures and as the center floor decoration. Many hanging baskets of flowers and pictures completed the lovely setting. French maidens served refreshments. It was surely a night to remember!!!

Formidable Foes Fall to Fierce Hornet Team

Defensive backs Don Cullen and "Rabbit" Ellinger man-handle an Alleghany Colt to the ground during the championship game. November 7.

A hot, dry August separated the men from the boys. Two practices a day, six days a week instilled football in the minds of our devoted athletes. They did not have any time to think about anything else! On September 6th the Albemarle Patriots invaded Henryland with a strong team and a two platoon system. Rated as 17 point underdogs, the Hornets put up a great effort but finally succumbed to the larger and faster Patriots 20–12. The 13th of September brought Wilson's first district encounter with a most formidable opponent, the James River Knights. Albert Hite and Marlin Hewitt shared the spotlight, each scoring two touchdowns. Center placekicker Mark O'Baugh converted three times to put the Hornets ahead 27–0. With the victory iced, the famed "Bandit Squad" was given the chance to test their skill. The Knights scored twice, but it was to little avail as Wilson won 27–12 for its first conference win. District 5 Championship came a bit closer on September 20th when Wilson Memorial overcame rival Clifton Forge 26–19. Rated as underdogs, the Green Hornets were the first team to defeat the Mounties on their own field since 1965. Morale soared as quarterback Steve Troxell produced a 64 yard touchdown, the first time offense had received the ball. And there were only ten green and white men on the field. Throughout the rest of the game, scoring was fairly even with first one team and then the other scoring. The third quarter ended the scoring for Wilson. In a superbly fought game Wilson emerged a victor, number 2 for the Hornets.

Behind the excellent blocking of Jerry Knueppel, Steve Litten, and the rest of the line, Albert Hite zooms through a hole for a fine gain.

Steve Troxell exhibits his running ability on a sweep as he scampers for good yardage behind some hardnose blocking of the Hornet line.

All-District Selections, Senior Lettermen Help

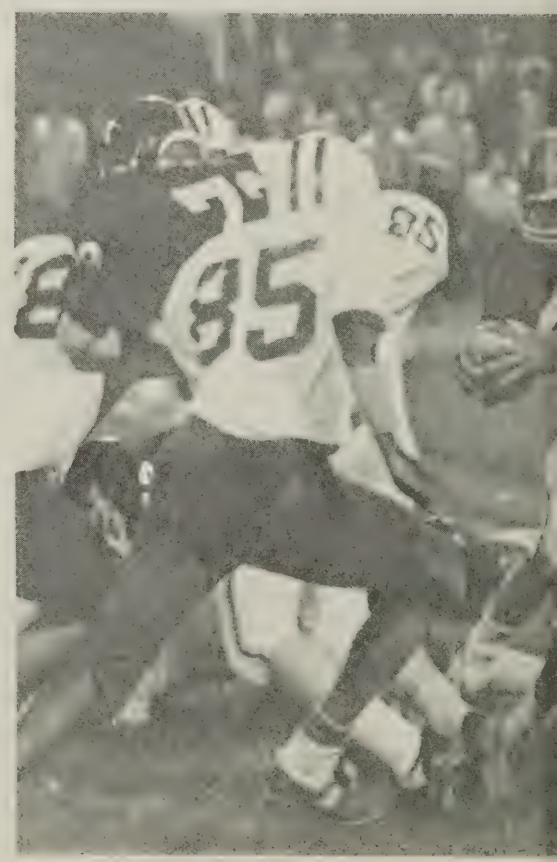

These three determined football players were named to the All-District football team.

Scoring four touchdowns, Wilson held Riverheads scoreless. With unveiled attacks the Gladistors attempted to defeat the Hornets. Wilson was held to 7 during the first half. In the second half the Hornets came back with a scoring spree of 21 pts. On Oct. 4 the Hornets traveled to Waynesboro. Seeking a win over its traditional city rival, the halftime score looked good with Wilson in front, 6-3. The action reversed in the second half, and the Little Giants came on top 13-20. Oct. 11 brought Buffalo Gap to Fishersville. Within seven minutes the Hornets scored 25 points. At halftime the score read 31-0! Big Green scored once again while the Bisons scored 7. The final score read 38-7. The Hornets then traveled to Rockbridge. Both teams were pressing for a win. First half ended with a tie of 6-6. After halftime the Hornets were ready to play real football. By the end of the game, the tie was broken, Wilson emerging as victor, 26-6.

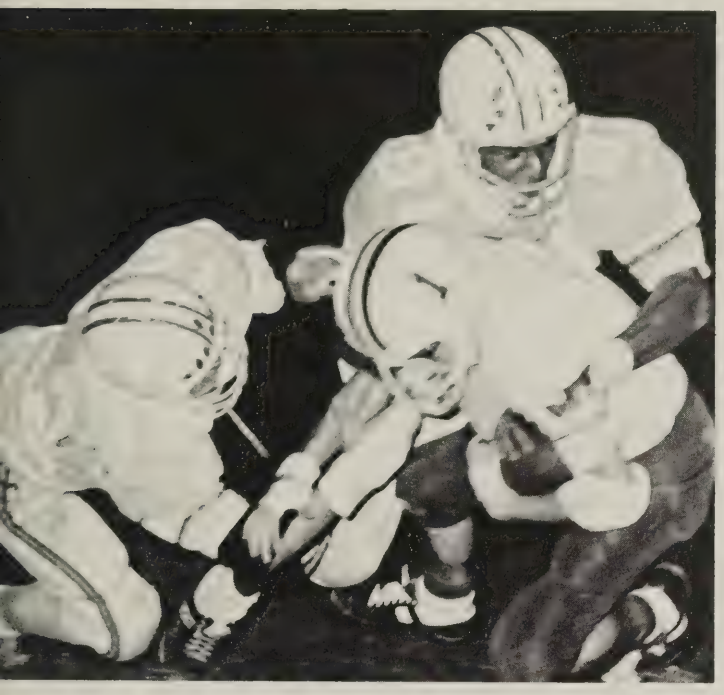

An unidentified Wilson back bulls over for another touchdown in the Buffalo Gap game.

End Greg McCauley stops an opposer's gain.

To Make Green and White Team Victorious

Steve Troxell gives a good second effort to obtain a first down. This action occurred in the championship game with Alleghany.

The Hornets clashed with the Indians in their eighth game of the season. An early score put the Indians in front with 7 points, and they kept the Hornets from scoring the first half. The Green scored a touchdown in the second half and then tied the score. The game ended in a tie 7-7, giving Wilson the only mar on its District 5 record. Nov. 1 was one of anticipation and dedication for all at Wilson. The Hornets had eight first-string veterans on the injured list. Things looked dim, but they still had a goal to achieve—to put Allegheny down. The Colts scored first on a safety by blocking a punt out of the end zone. Wilson came back to score their first touchdown in the second period. Later, O'Baugh picked up a fumble and ran 20 yards untouched for their second touchdown. The extra point was good, making the score 13-2, Wilson in front. The Hornet defense held Alleghany scoreless. Wilson emerged as District 5 Champions. With the championship secured, the Hornets traveled to Staunton. The Leemen struck quickly and took control from the outset. Wilson could not get an offense going and the defense was like a seive. As a result, Wilson lost, 48-0. This game did not mar the fact that the Hornets did a job well done. Not only did they win the District 5 Championship but they had to overcome great odds to do so. These boys deserved due credit for their courage and desire to accomplish a goal—a dream come true!

The "W" for Wilson is shown by returning Senior lettermen for the 1968 football season. Veterans Mike Hewitt, Greg McCauley, Jerry Knuppel, Mark O'Baugh, Cliff Knous, Ron Ellinger, Sam Simpkins, Val Gochenour, and Albert Hite performed heroically throughout the gridiron season.

JV's Emerge on Top in District Competition

The 1968 Wilson Memorial J.V. Football Team: **First Row:** Neil Ownby, Frank Zimmerman, Lanny Fitzgerald, Eddie Allen, Sim Brand. **Second Row:** Von Brannock, Tony Houff, Thomas Sheaffer, Ronnie Campbell, Eddie Harvey, Josh Stone. **Third Row:** Mike McCue, Robert Burkholder, Jimmy Terrell, Randy Furrow, Jim Moore, Ronald Bruening. **Fourth Row:** Bill Hamilton, Bradley Brubaker, Nathan Holton, David Coyner, Tommy Snider. **Fifth Row:** Danny Conyers, Terry Hammer, Ricky Morris, Gary Brown. Not shown: Roy Diggs, Mike Troxell, Luther Martin, Dee Terrell.

Under the fine and able leadership of James Furr, the 1968 J.V. football team saw one of the most illustrious seasons in its history. There was good team effort on the part of everyone; with special honor going to such as Steve Troxell, Eddie Allen, Lanny Fitzgerald and Dee Terrell. Coach Furr proudly displays the fact that his "Baby Hornet" team was unscored on until the last game of the season when John Lewis overcame them. None the less, the offensive unit scored 105 points on the other teams, while the contestants scored only 12! The J.V.'s began their winning season on September 25, with Buffalo Gap. Lasting victory the tangle with Fort Defiance was no letdown. The game with Waynesboro was no victory to some, but to the team it was one of the greatest games of the year, closing the day with 0-0 tie. Victory again was the product of our J.V. team when it met with Riverheads. Shelborne turned out to be another markup for our boys. Then John Lewis seemed to come to the field to "really play football". Our boys were fired up too, but the opposing team managed to defeat the J.V.'s in the last game of the season by 5 points. Thus the season ended with a remarkable 4-1-1 record for Mr. Furr and his team. Like the varsity team, it was a shame to lose the last game, but nevertheless the year showed what a great and able team we had. We all knew that through the past season, the Varsity Squad can be assured of fine, outstanding football players of the years to come! THANKS TEAM, FOR A JOB WELL DONE! Wilson Memorial Green Hornets!

The J.V.'s rush on the field for an important conflict with Waynesboro.

Improved Yearly Standing and Tourney Thrills

The Wilson Memorial Green Hornet Basketball team made a very reputable showing for the 1968-69 season. Showing remarkable skill and determination, the whole team played to win each game and ended the season 9-5 in the district standings to give them 2nd place and a 9-9 overall record. After losing the season opener to the Ft. Defiance contingent, Wilson ran its district record to 6-2 with impressive victories over Clifton Forge, Allegheny, and Riverheads. With impressive 'run and gun' style of Greg McCauley, Don Cullen, and Warren Koiner, and the rebounding strength of Danny Rose and Wayne Coyner, the Hornets gave the loyal fans many exciting moments of action. After losing to an explosive quintet from Allegheny, Wilson started the second half of the season by overpowering James River behind the well balanced scoring of Coyner, Cullen, Rose and Koiner. The Hornets then retaliated against Rockbridge by thoroughly thrashing them 72-62. Rose, McCauley, and Koiner again led the Hornets with 19, 18, and 16 points respectively. The next opponent was Ft. Defiance.

Wayne Coyner blocks a Don Sprouse shot in the grudge match against the little G's.

All-District star, Danny Rose, manhandles a rebound from a Mountee.

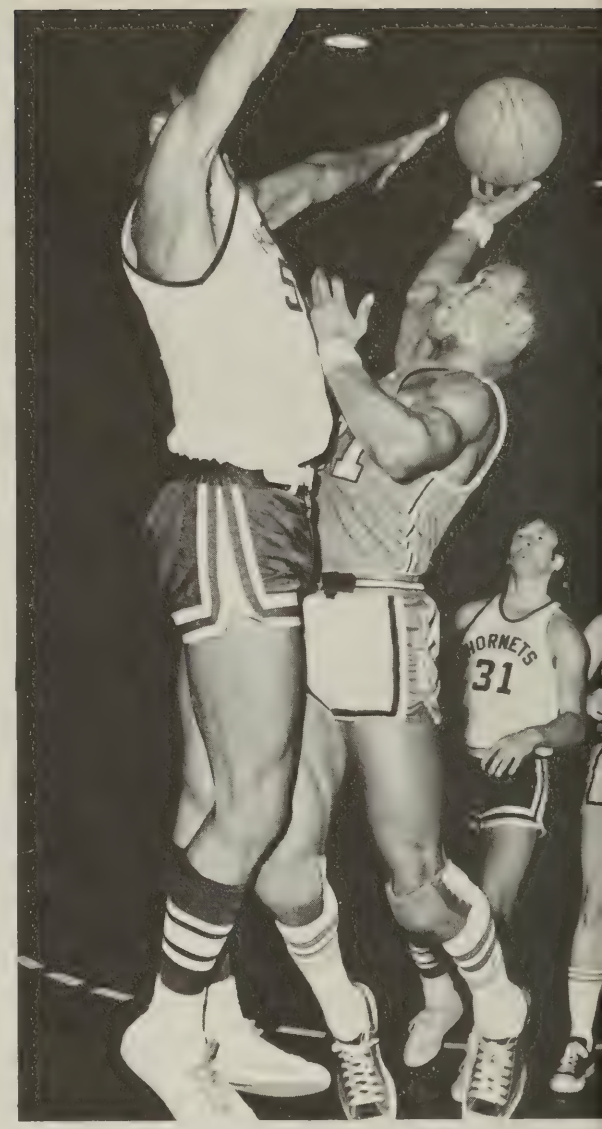

Warren Koiner drives past Tommie Lawhorn in a clash with Riverheads.

McCauley, Coyner, Rose, and Koiner are cited for their achievement in basketball. Rose, 1st Team All-District, 1st Team All-Tourney; McCauley and Coyner, 2nd Team All-Tourney; Koiner and McCauley, Honorable Mention All-District.

Fort was a thorn in the side of the Hornets all year as they beat Wilson in a close contest for the second time of the year. At this point Wilson, 8–4, had an outside chance for the championship but lost a heartbreaker to the Mountees on the "crackerbox" court at Clifton Forge and also to James River in the final game of the regular season. February 24 sent the Green-and-White team to tournament action at V.M.I. Fieldhouse. With record turn-out crowds, the Wilson fans were subjected to a heart-throbbing game against rival Allegheny. In a double-overtime game, Wilson emerged the victor 81–78. The next night found the same crowd again at the Fieldhouse where the Hornets played rival Clifton Forge. In an overtime game, Wilson won 72–71. Concluding the season on February 26, Wilson lost the tournament crown by being overcome by Fort Defiance in another double-overtime game, 77–79.

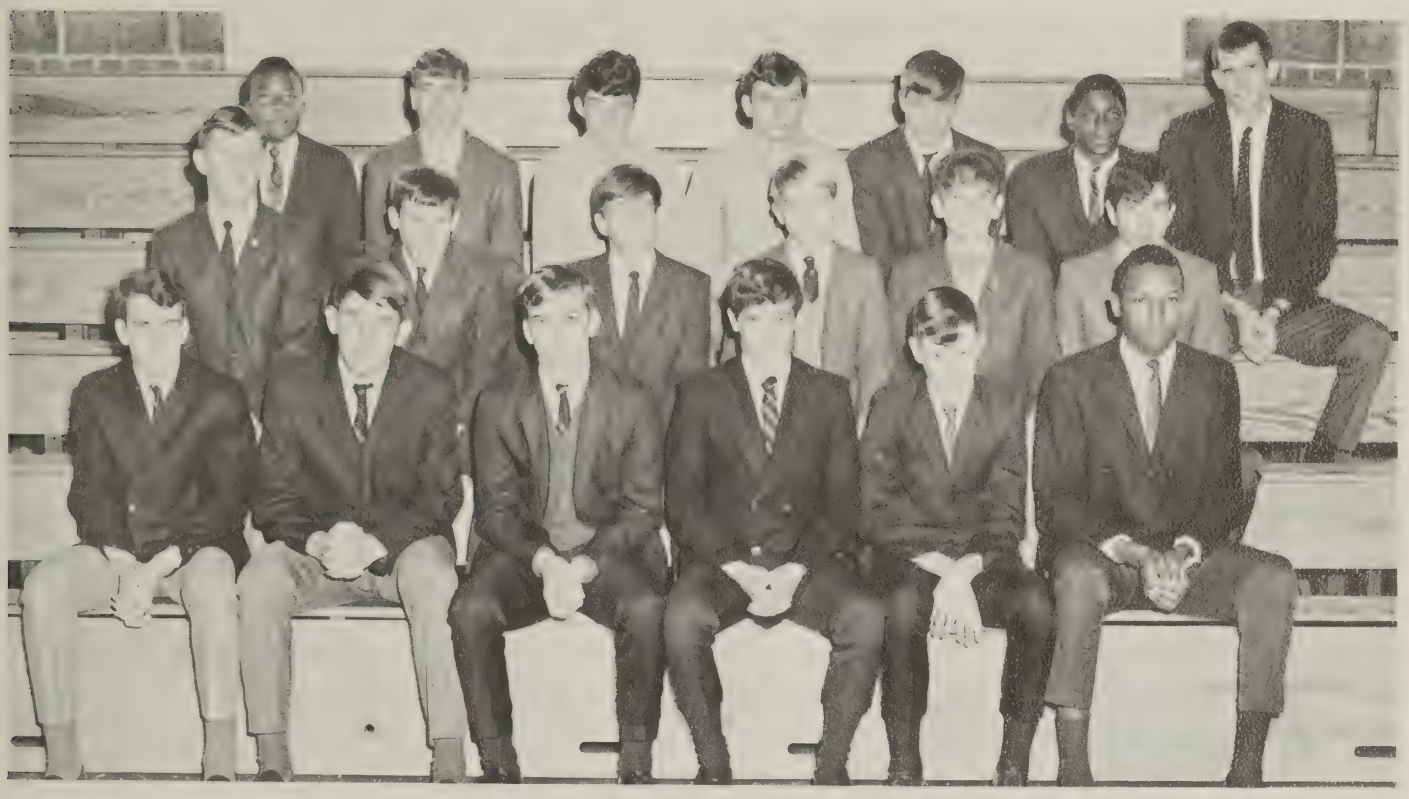

Danny Rose leaps high into the air to block the Colt's Wray.

Warren Koiner and Greg McCauley lead the fast break in the finals of the District Five Tournament against the eventual winners, Fort Defiance.

JV Team Is Tall on Effort and Enthusiasm

J.V. Coach Sorrell and four of his players anxiously watch a game.

JV's Assure Success of Future Varsity Team

The 1968-69 Wilson J.V. team started their season on December 6 with an encounter with the Fort Defiance "Little Injuns". Although losing the first four encounters, the J.V.'s came back toward the end of the season with some good, strong wins over rival schools Clifton Forge, Rockbridge, Riverheads, and James River. In the encounter with Fort Defiance, the Wilson team defeated the Indians, thus avenging their first defeat. With only veteran players Harry Fox, Gene Lucas, Randy Houff, and Jeff Williams to lead off the plays, Coach Sorrell took Troxell, Bodie Cook, Steve Gordon, Steve Campbell, David Coyner, Benny Conner, Roger Weaver, Johnny Puffenbarger, and Donnie Nauman, exposed them to strenous competition, and developed them into a fine, hard-playing Wilson.

"Coach" Duke and official J.V. scorers take a refreshing break during a time out. Hungry?

"Stick 'Em Up Cowboy!" No. 12 guards opponent.

Expectant faces hoping for victory! Mr. Sorrell discusses strategy with his team.

JV Cagers Uphold "Hornet Honor" in 1969

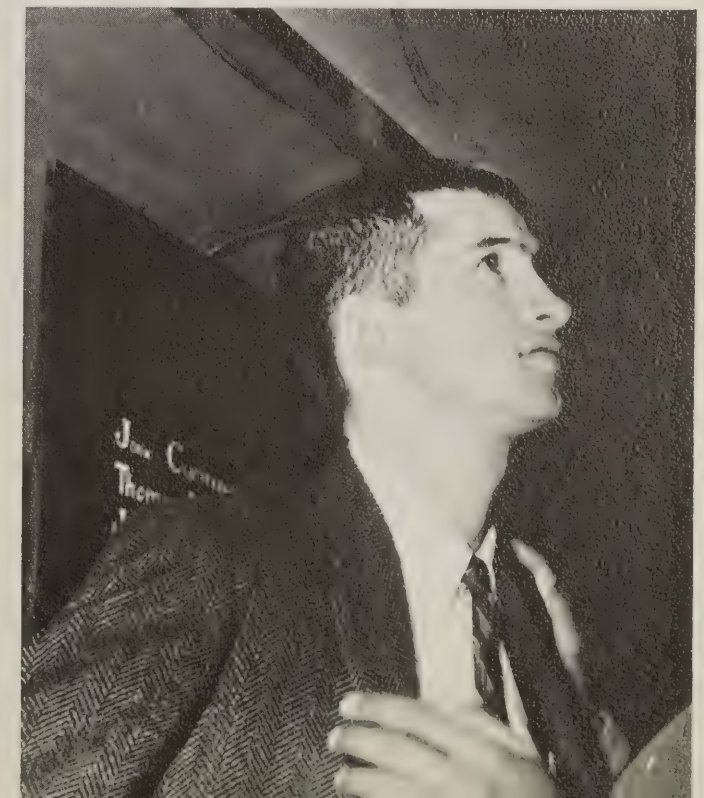

Steve Gordon stretches to lay one up despite efforts of an opponent to block his shot. Throughout the JV season, Wilson fans saw stirring scenes as illustrated in this picture. With keen competition from area schools, the home team fought gallantly and showed steady improvement during the season. Both away and at home the JV's carried respect and good sportsmanship with them, demonstrating our "Hornet Honor" always.

"The basketball went that way!" No. 50 speeds toward the action.

Coach Sorrell silently prays for a victory before an important game.

8th Grade Cagers Reap Rewards of Practice

"LOOK OUT BOYS, I'M COMING THROUGH!" Action like this was common in the various 8th grade basketball games, played at the school.

Wilson's B Squad Baseball Team had a very impressive season compiling a 6-2 record with one tie. Under the excellent supervision of Coach Gordon Gibbs the J.V.'s were well-versed in the basic fundamentals of baseball. Pitcher Donnie Garris played fine ball for the B Squad all year with a 5-0 record, including 3 shutouts, and a batting average of .555. Kenny Snider, Rodney Kershner, Randy Houff were mainstays of the Hornet offensive attack batting .409, .429, and .500 respectively. Congratulations to the team and good luck in Varsity ball next year.

Takes Second Place in Regular Season Play

Gary Monroe tags a Rockbridge Rebel out on a close play at the plate.

The Varsity Baseball team had a fine season this year under their able and knowledgeable coach, Martin Smith. They finished with an 8-4 league record good for second place in District V, a position held by the Hornets for the years. Wilson reeled off four quick victories in the first four games against Buffalo Gap, Clifton Forge, Riverheads, and Rockbridge. All of the games were won by pitcher Sam Simpkins who did not give up an earned run until his sixth start of the season. After a loss to Ft. Defiance, Wilson beat Buffalo Gap, and lost a heartbreaker to C.F. 4-3. The Hornets then tangled with league leaders Alleghany and proceeded to stomp them 6-4 behind the hitting of Patterson, Blackwell, and Simpkins. In the Waynesboro game the Hornets lost 9-8 in extra innings. Wilson then lost to Alleghany 3-2 in the LION'S PIT. After impressive victories over Riverheads and Rockbridge, the Hornets lost an extra inning affair to the Indians 1-0. In tournament action the Hornets were victims of an off day losing to Riverheads 6-0.

"You're Out." Mark Painter is tagged out at the plate by a Buffalo Gap Bison. The Hornets swept the season series with the Gappers.

The 1969 Wilson Memorial High School Track Team had a very illustrious season this year, breaking 6 Hornet records and finishing third in the District V standings. Among the new records set were Bob Altizer with the 2 mile run, Greg McCauley with a pole vault of 12'4", a high jump of 6'5 ¾", and a broad jump of 22' ½". Other records set were a new 880 relay time of 1:34.5 and the Mile Relay with a time of 3:37.2. The 880 team was composed of Keith Smith, Harry Williams, Warren Koiner, and Greg McCauley; while Val Gochenour, R. E. Sheets, Keith Smith, and Warren Koiner make up the Mile Relay team. Best of luck to these boys and the entire team on an important job which was very well done!

Greg McCauley cuts loose for one of his broad jumps to set a school record, 22' ½."

Bill Daughtry edges out Lloyd Bartlett in another hurdle race against Waynesboro.

Up and Over! Billy Daughtry displays his fine hurdling ability for the track team.

. . . **And here I go!!** Jerry Knueppel gets ready for one of his crack throws in the disks. Mark O'Baugh is talking with opposing Ford Defiance.

Ace runner Keith Smith gets ready for one of his outstanding runs.

Pro Style! Warren Koiner demonstrates how easy pole vaulting can be.

Track Team Has Record Breaking Success

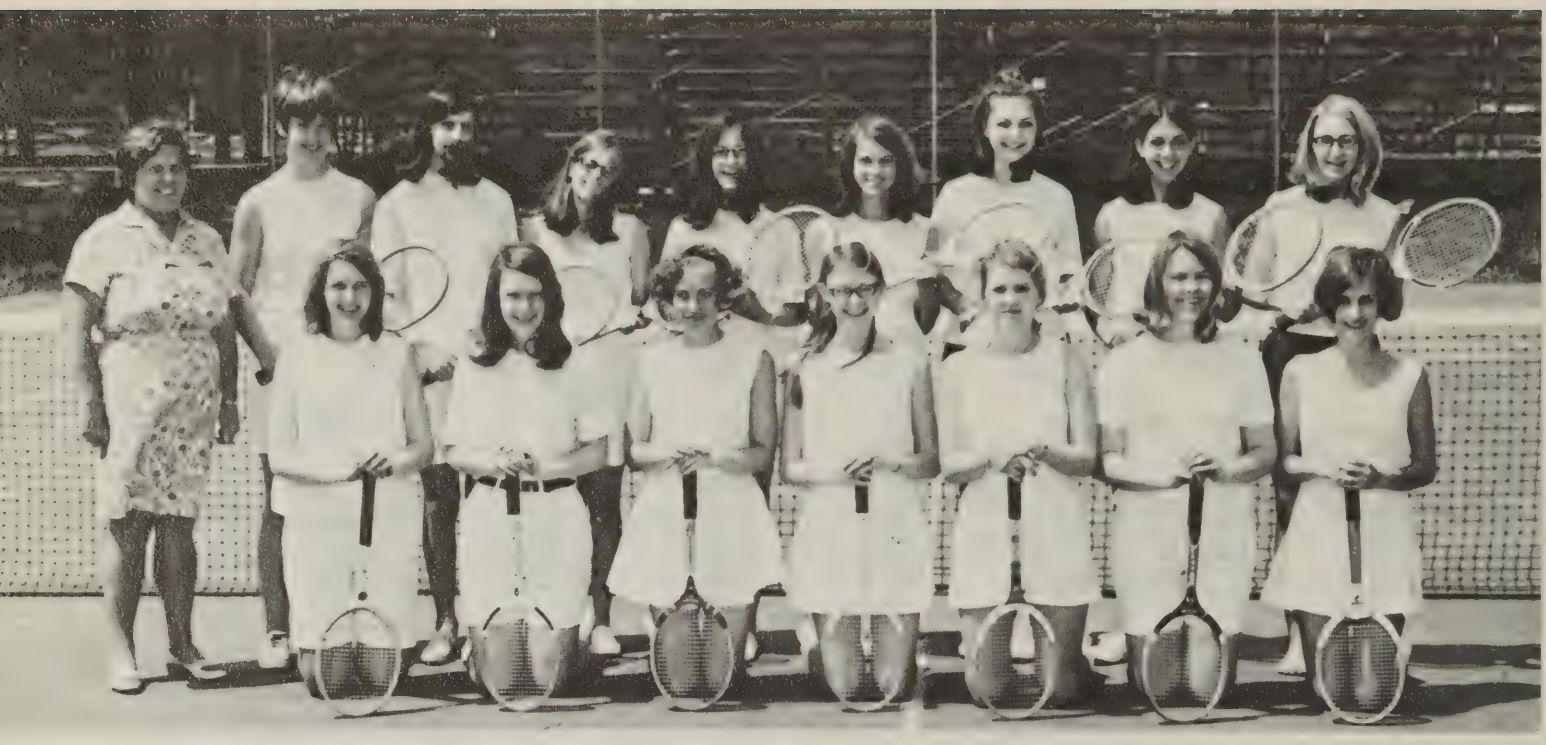

With coaches Joe Zapotoczny and Jerry Corbin to improve the style of the track team's members, the men represented the school very well this year. Among the runners for the Green Hornets were Bob Altizer, Gary Craig, Ron Desper, Val Gochenour, Roscoe Harris, Marlin Hewitt, Albert Hite, Warren Koiner, Greg McCauley, Don Nauman, Ed Painter, David Parrish, Danny Rose, R. E. Sheets, Keith Smith, Harry Williams, Jeff Williams, and L. W. Yancey. Heading the poll Vaulting team was Greg McCauley, Tom Hollinger, and Joe Mizer; the high jump was represented by Greg McCauley, Mark O'baugh, and Warren Koiner; and the hurdles were run by Bill Daughtry, Mark O'baugh, and Albert Hite. Among the disks and shotput men were Jerry Knuppel, Mark O'baugh, Scott Holloway, and Steve Litten. With this combination of good men and excellent coaching, great determination and sportsmanship was prevalent, making this year's track team one of the best ever beheld by the Wilson Memorial Hornet fans.

"What a beautiful day to win a first place in this event – if the darn ball will just go!" Is this one of the thoughts which race through the mind of veteran shotput thrower Mark O'baugh? With grim determination during his five years at Wilson, this senior has proven his ability at throwing the shot, running hurdles, and high jumping in all the meets.

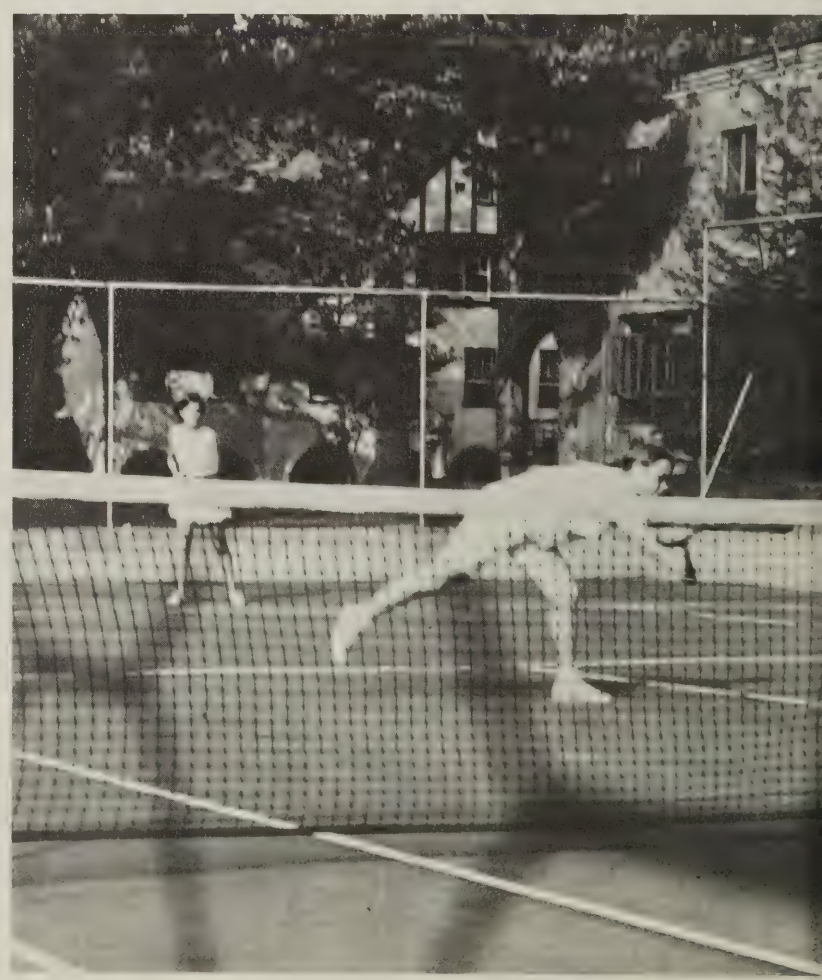

. . . And Don Nauman comes in for the finish. With his running ability and fine sportsmanship, Don has been an excellent track star this year.

First Row: Susan Marcum, Leanna Appl, Page Hamilton, Vivian Mongold, Judy Crummett, Debbie Sondrol, and Rita Critzer. **Second Row:** Mrs. Brooker, Christine Appl, Shirleen Ellinger, Karen Miller, Connie Painter, Sharon Gochenour, Karen Coyner, Debbie O'Baugh, and Joan Daughtry.

The Girl's Softball Team spent many long hours practicing at Wilson Elementary each afternoon with Mrs. Brown, their coach. The team was not a strong one; it lacked the experience to make a successful team. The girls played well just the same. The team consists of 20 players—two full teams, a manager, and a scorekeeper. This year's opponent was Albemarle, which was a tough team. The two games played were defeats for Wilson. The score in the first game was 17-3 while in the second game Albemarle only won by 1 point—23-22. This year's team was a very young one with only one senior on the squad. Of the ten girls who played in matches there were four tenth graders and one ninth grader. A stronger team for next year seems very likely. The season began April 11 and ended May 20. During this period seven matches were played with four different opponents. All of the matches were defeats but most of the matches were very close. The most consistent winners were Page Hamilton, who was awarded the most valuable player trophy and Susan Marcum. Each won four of their matches. Next year will prove to be a better year for both teams.

Rita Critzer and Deb Sondrol swing hard to win this match.

5 Track Wins, Gymnasts' Poise Portray Champs

Participating in three meets and two exhibitions, the Girls' Gymnastic Team developed poise, searched for creativity, and used self-expression. The meets were AAU and Virginia High School League with competition in free exercise, the balance beam, vaulting, and tumbling. Skills involved were strength, endurance, and flexibility. The exhibitions were for a class assembly and at the Waynesboro YMCA. Beth McCrae placed 2nd in vaulting; Joyce Matheny, 3rd; and Debbie Clinedinst, 6th in the VHSL meet. Debbie placed 1st in free exercise and the balance beam and 2nd in vaulting and tumbling at the AAU meets in Richmond.

For the fifth consecutive year the Girls' Track Team were victors in the annual meet, held this year at Ft. Defiance. The girls brought back six first places and two fourth place ribbons. Beth McCrae and Debbie Thompson were among those who had the most points. Becky Allen and Shelby Clark worked hard with the team as managers. Their coach, Mrs. Taylor, gave them the confidence and skill needed to become the victors they did for Wilson Memorial girls.

Beth McCrea crosses the finish line in the meet at Fort Defiance.

The victorious Girls Track Team for 1968-1969 are . . . **First row:** Delores Williams, Sylvia Klutz, Linda Hewitt, Donna Miller, Joan Daughtry, and Frances Johnson. **Second row:** Debbie Thompson, Carolyn Thompson, Debbie Clinedinst, Terry Hicks, Helen Blair, and Beverly Wade. **Third row:** Mrs. Taylor, Karen Coyner, Beth McCrea, Ann Metcalf, Donna Cash, Dana Dahmer, Becky Stump, Alice Lawrence, Pat Henderson, and Linda Enger.

"Help, now what do I do?" Joyce Matheny seeks an answer.

"Oh, can I keep my balance?" Joyce Matheny poses an interesting question.

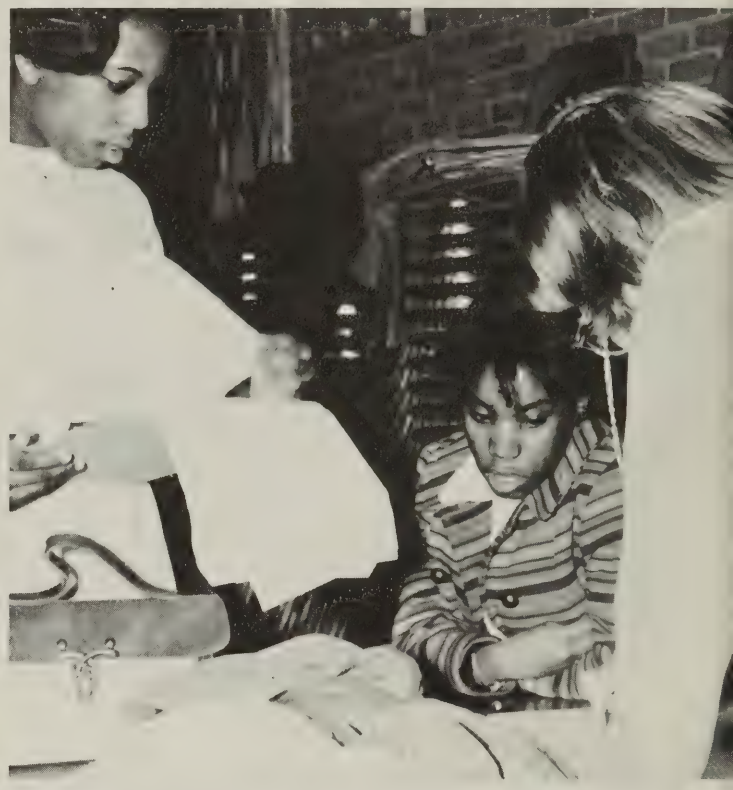

The students that attended the gymnastics exhibition at the YMCA were Beth McCrea, Joan Daughtry, Connie Stump, Donna Cash, Joyce Matheny, Debbie Clinedinst and their sponsor Mrs. Taylor, who requires much work and exercise from these girls so they may be in perfect shape.

Extracurricula Sports Participation For Girls

There were many after-school sports for girls this past year. One of these was Intramural Basketball which began in November and ended in December. There were four teams with captains Debbie Fisher, Frances Johnson, Linda Hewitt, and Donna Critzer. There were two divisions, varsity and junior varsity. The varsity was made-up of Sophomores, Juniors, and Seniors, the junior varsity was made-up of Freshmen and eighth graders. There was a tie between Frances Johnson's team and Debbie Fisher's team for the varsity championship. There was a play-off won by Frances Johnson's team. Debbie Fisher's team won the junior varsity championship. Intramural Basketball is one of the many sports in which the girls may pick-up points in order to receive sports letters. The girls who participated in these activities gained skill and enjoyment from this intramural sport. Mrs. Brooker, Mrs. Taylor, and Mrs. Brown were the sponsors and referees, giving the girls the privilege of after-school sports.

Students came out on top in the Interclass Basketball game with the teachers.
